

# 2nd Saturdays @ your library for teens in grades 6 - 12 2:00 - 4:00 pm snacks, crafts, & movies

## February 11, 2012

Rated PG-13

Sometime in the not-too-distant future, boxing has been outlawed and replaced by fighting matches with robots. Big robots. Hulking, rock 'em, sock 'em mechanical robots. But if those machines are cutting edge, Real Steel sticks to an old-fashioned style of storytelling, with a tale of a down-and-out fight manager (Hugh Jackman) looking for a good 'bot to get back in the game, and get back out of debt. During his hopeful rise to the top, he discovers he has an 11-year-old son who wants to know his father.
