Library Databases

Just in time for School...exciting new databases available at Longmont Public Library. Get a library card and have access to a vast array of homework help!

The World Almanac® for Kids Online

A natural complement to the curriculum, this online site provides resources for homework, reports, and projects in a fun format while encouraging online research skills from a trusted source.

World Geography and Culture Online

A global approach to facilitate the study of countries, places, peoples, and geography concepts and skills.

Writer's Reference Center

Covers the fundamentals of quality writing and provides a wealth of vocabulary-building reference dictionaries.

American History Online

Spans more than 500 years of political, military, social, and cultural history, highlighting the important people and events of the American experience.

Health Reference Center

Provides clear and comprehensive information on conditions and diseases, health and wellness, mental health, and the human body.

Modern World History Online

Covers the people, places, and events in the broad expanse of history from mid-15th century to the present.

Ancient and Medieval History Online

Explores the pre-modern world with in-depth focus on Egypt, Mesopotamia, Greece, Rome, Africa, Europe, the Americas, and Asia.

Science Online

Presents a broad range of scientific disciplines through extensive definitions, essays, diagrams, biographies, and experiments.

Issues & Controversies

Explores more than 800 hot topics in business, politics, government, education, and popular culture.

Today's Science

Bridges the gap between the science that students learn in the classroom and the discoveries pushing the boundaries of science today.

Bloom's Literary Reference Online

Examines great writers, important works, memorable characters, and influential movements and events in world literature.
