

# Special Trash & Recycling Events

The City of Longmont hosts many special events to divert solid waste from our landfills, ensure large items are properly disposed of, reuse materials for mulch, and protect the environment from the harmful effects of hazardous wastes, including:

- ❖ **Large Item Stop-N-Drops/ Free Landfill Drop Days** – Customers may bring large and bulky household items for disposal to the Public Works Maintenance Facility or one level pickup full of large items and debris to the landfill

- ❖ **Household Chemical Waste Disposal** – Residents may bring unwanted cleaners, solvents, pesticides, aerosol cans, paint and other chemical wastes for disposal to the Public Works Maintenance Facility at the annual Household Chemical Drop-Off Day or residents can take hazardous chemicals year-round to the Household Hazardous Waste drop-off in Boulder County

- ❖ **Spring Branch Collection & Fall Curbside Leaf Collection** – Residents may dispose of their branches and leaves every spring and fall, by placing bagged leaves or branches curbside according to a designated collection schedule

- ❖ **Halloween Pumpkin Composting** – A collection dumpster is placed at the City Recycling Center the week following Halloween
- ❖ **Christmas Tree Recycling** – Collection locations are provided throughout the City
- ❖ **REACH** (Reuse, Education and Community Help) – Recycles reusable items with help from local non-profit organizations and redistributes them to people in need in our community

For dates and information please check the calendar of events at the City of Longmont website <http://www.ci.longmont.co.us/solidwaste> or contact Public Works Operations at 303-651-8416.
