

## **Construction Activity Permit ▪ Notice of Permit Expiration**

Development Services Center ▪ 385 Kimbark St. Longmont CO 80501 ▪ 303-651-8330

### **Your City of Longmont Construction Activity Permit associated with Stormwater is about to EXPIRE.**

**You need to renew or terminate your permit  
at least 10 days before the expiration date.**

City Permit Number \_\_\_\_\_

Expiration Date \_\_\_\_\_

#### **Renew Your Permit**

To renew your permit please submit a Construction Activity Permit Application at least 10 days before the expiration date of the permit. This application can be found at <http://www.ci.longmont.co.us/pwwu/storm/constructionpermit.htm> and instructions are included on the form. Information in addition to the application may be requested as needed, and all applicable and pending fees will have to be paid.

#### **Terminate Your Permit**

To terminate your permit you first need approval of final stabilization from your inspector. Once final stabilization has been determined, all temporary BMPs must be removed. To terminate the permit, please submit the Construction Activity Permit Notice of Termination. This notice of termination can be found at <http://www.ci.longmont.co.us/pwwu/storm/constructionpermit.htm> and instructions are included on the form. If there are any pending fees, such as re-inspection fees they will have to be paid prior to termination.
