

Permanent BMP Certification

Date	
City Construction Activity Permit #	
Subdivision	
Project Name	

I, (print) _____, a registered Professional Engineer in the State of Colorado, PE No. _____, hereby certify that the following permanent Best Management Practices (BMPs) have been inspected by me or an appropriately qualified professional under my direct supervision, and that the BMPs have been constructed per the construction plans and specifications and final drainage plan approved by the City of Longmont.

List of Permanent BMPs:

Attached are the record drawings (_____ total sheets in the set). I have field verified the locations, materials of construction, dimensions, and other features of the permanent BMPs, including all facilities, structures, outfall controls, maintenance access points and appurtenances.
